PRESS RELEASE

Presentation on Praslin organised by The Fair Trading Commission

In its continuous effort to educate the public on their rights and responsibilities as consumers the Fair-Trading Commission will be organizing a series of presentations in selected work/business places on Praslin.

This will be an opportunity for Praslin employees to find out more about the Commission, its role and function vis-a-vis the Acts that it administers. It will also provide those businesses with the opportunity to understand what the law entails in terms of their compliance with the law.

The presentations will commence on **Wednesday 11th April 2018** at the Baie Ste Anne Primary School and will follow in the other work/business places over Praslin during the year.
